## The 2<sup>nd</sup> Food Allergen Management Symposium 2017 (FAMS2017) including The Second Asia Pacific Food Allergen Management Workshop

Global Harmonisation of Food Allergy Management - Collaboration, Innovation, Science and Communication

Australian National Maritime Museum  
Darling Harbour, Sydney, Australia  
21 - 24 May 2017

## INVITATION

Improved food allergen management is the focus of many initiatives around the world. Providing the allergic consumer with the best outcomes requires strong collaboration and consistent communication from all food allergen management stakeholders. FAMS2017 provides a unique opportunity for food industry, researchers, dieticians, clinicians and consumer groups to come together to address the needs of the food allergic consumer. In bringing together a diverse mix of key stakeholders, the FAMS2017 program will allow information sharing, new learnings and stimulate collaborative and innovative approaches to the future harmonisation of food allergen management.

The Second Asia Pacific Food Allergen Management Workshop aims to build on the increased awareness and improved communication of best practice food allergen management from the highly successful First Workshop in November 2016, in Shanghai, China.

The Food Allergen Management Symposium 2017 will provide a valuable opportunity for sponsors and exhibitors to promote themselves amongst stakeholders.

### Who Should Attend?

- Food companies
- Analytical services
- Dieticians and nutritionists
- Food Scientists and technologists
- Regulatory agencies

## Speakers (subject to change)

- **Katie Allen** - Professor in CFAR, Murdoch Children's Research Institute, Australia
- **Joe Baumert** - Associate Professor and Co-Director FARRP, University of Nebraska, USA
- **Georgina Christensen** - Allergen Bureau, Australia
- **Dianne Campbell** - Professor, Children's Hospital Westmead, Australia
- **Dean Clark** - National Measurement Institute, Australia
- **René Crevel** - PhD, Unilever, UK
- **Motohiro Ebisawa** - Professor Sagamihara National Hospital, Japan
- **Samuel Godefroy** - Professor, Food Risk Analysis and Regulatory Systems, Faculty of Agriculture and Food Sciences, University Laval, Canada
- **Kate Grimshaw** - PhD. Research Fellow, Clinical and Experimental Sciences, Faculty of Medicine, University of Southampton, UK
- **Kirsten Grinter** - Allergen Bureau and Nestlé Australia
- **Jonathon Hourihane** - Professor of Paediatrics and Child Health, University College Cork, Ireland
- **Alice Lee** - Associate Professor ARC Training Centre for Advanced Technologies in Food Manufacture, University of New South Wales, Australia
- **Andrea Lopata** - Professor in James Cook University, Australia
- **Clare Mills** - Professor of Allergy at the University of Manchester, UK
- **Maria Said** - Allergy and Anaphylaxis Australia
- **Ben Remington** - Food Allergy Consultant, TNO Netherlands
- **Robin Sherlock** - Allergen Bureau and DTS, Australia
- **John Sinn** - Associate Professor, Royal North Shore Hospital, Australia
- **Steve Taylor** - Professor in the Dept. of Food Science and Technology and Co-Director of FARRP, University of Nebraska, USA

### Important Dates

Early bird registration ends: Friday 31<sup>st</sup> March 2017

Abstract submission deadline: Friday 14<sup>th</sup> April 2017

Abstract submission and registration available online at

[www.fams2017.com.au](http://www.fams2017.com.au)
